

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how long and tedious it would be to tidy up right after a party, without assistance from equipment. Not too long ago, the dust from carpets and upholstery had to be beat out of them manually; brushes, cleaning cloths and brooms were the leading cleaning products during that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Starting the business in the year 1906, he started to produce motors to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the start was to have a worldwide business selling products globally.

The Nilfisk C1 was an incredible breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by a single individual. This creation came in a time where numerous cleaning machines were massive and needed at least 4 operators, therefore, the Nilfisk C1 changed everything and developed the manner we clean forever. The mastermind behind these first cleaning machines remains unparalleled. Cleaning machines provide an excellent solution to an existing crisis; stuff get dirty and need to be cleaned on a regular basis, without a lot of effort.

Little by little, the business Nilfisk-Advance grew throughout the years. In the early 1980's the business expanded fast when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the business, aiming to be an active global player in producing professional cleaning equipment. Nilfisk-Advance is presently located in all parts of the globe due to steadily obtaining many small companies so as to develop their product range and presence in new markets. They are proud to provide a variety of cleaning solutions to fit every requirement.
