

## American Lincoln Parts

American Lincoln Parts - Currently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the business they are known in the business as providing durable and strong machines which suits all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln can provide equipment, components and warranty service for these scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where efficiency and results matter. Recently, this particular floor scrubber model has been utilized by the architects in different construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's supreme performance level and high standard of quality for polishing concrete.
